

# The National Association of Musical Instrument Repairers

## SPRING MEETING

**SUNDAY 21st MAY 2017**

**Moulsford Pavilion, Oxfordshire, OX10 9JD**

### MEMBER'S SESSION: BRASS/WOODWIND REPAIR AND BRING & BUY SALE

This is an ideal opportunity to learn new ways of doing things with the emphasis on brass and woodwind instrument repair. There will be a series of short presentations/demonstrations by members on techniques they have devised to assist them in a variety of repair tasks. Student members should benefit greatly from the knowledge handed down by experienced repairers.

Should you have any repair tools, spare parts, repair materials or broken instruments you wish to dispose off you can bring them along to this meeting. Each item should be clearly labelled with your name and asking price. Members who may wish to purchase an item can then talk directly to the seller and hopefully complete the transaction. NAMIR Ltd will not be involved in any way other than in providing this platform.

### BECOMING A NAMIR PROFESSIONAL MEMBER

Musical Instrument repair is a great job and we all love our work but we don't do it for love, we do it to earn money. This session is all about the transition from student to professional. A Panel of four members who have become professional over the last few years will describe their experiences and answer questions about all aspects of starting in the business. There will also be comments from long established repairers. Everything you need to know from equipment to insurance.

MEMBERS ARE WELCOME TO BRING A GUEST.
